## Annex A - Supporting Documents Checklist

Please ensure you submit all the relevant original documents that you want the Entry Clearance Officer to see when considering your application. You should also supply the documents specified on the separate Self-Assessment Appendix for the specific tier or sub-tier under which you are applying. The UK Immigration Rules make it clear that it is your responsibility to satisfy the Entry Clearance Officer that you are genuinely seeking entry to the UK for the purpose and duration that you have stated. Submission of particular documents does not guarantee that your visa will be issued. It is your decision how you satisfy the Entry Clearance Officer that your intentions are as you state in your application. Further guidance on supporting documents can be found on the UKBA web pages.

If you are unable to provide a document please explain why. Your application will automatically be refused and you may be banned from coming to the UK for 10 years if you use a false document, lie or withhold relevant information. You may also be banned if you have breached immigration laws in the UK.
