Dear Applicant

Artists Access to Art Colleges Scheme

Thank you for your enquiry.

Please find enclosed/attached an application pack for the above scheme which will run from **3rd Oct to 30th April 2012**. Please read through the notes first. If you then wish to apply for a place on the scheme, return the application form along with a CV, photo of yourself and up to 10 images of your work to **the address/email above**. **We are aiming to run a 'digital' application process and will accept applications by email or on CDs. If this presents a particular problem for you, please let us know and we'll try to accommodate you. If sending your application/images by email, please ensure that image sizes do not exceed the maximum for servers and check with us if you do not get an email (confirming that we have received it) at least 2 days before the deadline. Please include your name and AA2A in the subject line and include 'Part 1 of 2' etc if sending more than one email.**

The scheme is open to all artists who can demonstrate that they have at least one year's professional practise and have not been engaged in full or part time study at an art college or similar institution in the last year. Selection will be on the basis of need, commitment, ability to make best use of the opportunity and professionalism as an artist. For more information on eligibility see <http://aa2a.org/apply>

The deadline for applications is **21st September 2011**.

All applicants will be informed of decisions by **30th September 2011**.

Applicants being considered for places will need to be free to attend on **3rd October 2011** and hard copy visuals will be returned to you by **17th October 2011**.
