

## Accessing e-books from the Library Catalogue

An increasing number of books are now available in electronic format as e-books. The College has over 4700 e-books which you can access from anywhere, via the Internet. The majority of e-books are available on three main platforms or websites – Dawsonera, MyiLibrary, and Ebrary.

The easiest way to access most e-book content is to search the [Library Catalogue](http://opac.bradfordcollege.ac.uk/TalisPrism/) <http://opac.bradfordcollege.ac.uk/TalisPrism/>. Search for a book as normal. You can search by author, title and/ or keyword.

For example, Judith Bell's Doing your research project
