WHY CHOOSE BRADFORD COLLEGE?

FLEXIBLE LEARNING OPTIONS

We offer classes on various days and times throughout the week, allowing you to balance your studies with family life or work commitments.

NO PREVIOUS EXPERIENCE REQUIRED

Our courses are designed for everyone, regardless of previous experience. We will find out your starting point and then work with you at your own pace, so you'll feel confident and supported every step of the way.

DEDICATED SUPPORT

Our English and Maths Success Centres are full of experienced, friendly tutors who are here to guide you. With small class sizes and personalised attention, you'll receive the help you need to succeed. We also have an online learning platform dedicated to help you develop your skills

WHAT DOES IT INVOLVE?

We run classes from Monday through to Fridays on mornings, afternoons or evening for 3-6 hours per week, depending on the course.

Face to face sessions with experienced tutors at Bradford College and various community venues across Bradford.

Real life scenarios to help you apply your skills at work, in further study or everyday life.

Regular assessments to track your progress.

WHAT YOU'LL LEARN

Learning maths can help with everything from managing finances, to supporting your child through school with their homework. Having good English and Maths skills opens doors to new job opportunities and further education. These subjects are essential for almost every career path.
