Hello!

Start your journey with Bradford College

At Bradford College, our mission is simple: **to transform the life of every student who walks through our doors.**

Each year, thousands of students join us to explore their passion through education.

We want to help you build a better future through learning, by developing your talents, exploring your options and empowering you with lifelong skills.

During your time here, you'll have many opportunities – start the year at our Freshers' Fair, meet special guests, like students who met the King during his visit to Bradford Live, go on exciting trips, try new sports and hobbies through our enrichment programmes, be able to test your talents and skills by taking part in competitions and meet new friends.

At the end of the year, we celebrate all your achievements at our annual Star Awards with your family and friends.

You will be taught by experienced tutors who will support you throughout your journey here in outstanding new facilities and have the chance to take part in exciting work experience opportunities.

We have invested in new cutting-edge technology, immersive learning environments and exciting new facilities (see pages 10 and 11), so that you can thrive and prepare for your future career – whatever that might be.

This prospectus and our website will give you all the details and information you need to know.

Thank you for considering Bradford College and I look forward to welcoming you.

Support at every step

STUDENT SUPPORT

We believe it is important that every student's journey at Bradford College is enjoyable and that you feel supported. We offer lots of different support options and guidance to help you on your learning journey.

Academic Support

We offer personalised support to help you develop your academic and professional skills.

Our Skills Hub, based in our David Hockney Building, also provides guidance for all your digital and academic needs.

Visit page 21 for more information.

Disability Support

Visit page 18 for more information.

Equality, Diversity and Inclusion

We are a diverse and inclusive college for all. We put equality, diversity and inclusion at the heart of what we do and challenge any form of discrimination.

Faith and Belief

We have several rooms, called Unity Spaces, that are designed for quiet reflection, meditation and prayer and are available for everyone.

Mental Health and Wellbeing

We have our own Counselling Service who you can talk to confidentially about any topics or issues related or unrelated to your studies.

Scan to find out more.

Scan for more info about our Student and Support services:

FINANCIAL SUPPORT

We believe that everyone should have the right to education so we provide financial support to many groups of students, dependent on course and circumstances.

16-18 Bursary Meals

If you are 16-18 years old you may get money for your meals at the College. If you're eligible, you will be entitled to a meal on each day you have a class on your timetable. The money will be topped up on your student ID card.

Childcare Costs

You may be eligible for support with the childcare costs on timetabled days.

Disability services

Our team assists students with learning difficulties, disabilities, medical conditions or other learning needs to help you achieve your academic and personal potential.

Your support package will depend on your individual needs but can include:

- » Adapted materials in a format such as large print, braille or tactile
- » Assigned Access and Inclusion Advisor, Specialist Assessor or Lead Practitioner
- » Assistive Technology (loan of specific hardware, software and training)
- » British Sign Language Interpreter or Communication Support Worker
- » Classroom based support (e.g., Learning Support Assistant)
- » Exam Arrangements (e.g., extra time, reader, scribe etc)
- » Mentoring
- » Note-taking

Watch our disability services video.

Students with an Education Health and Care Plan

If you have an Education Health and Care Plan (EHCP), we will work with you to put together a personal support plan that will help you throughout your College journey.

Students without an EHCP but with Support Needs

If you don't have an EHCP you can make a referral to the service. Our team will assess your needs using your own experience of study, any supporting specialist evidence and their knowledge of the demands of your chosen course.

Your voice matters

STUDENTS' UNION

Bradford College Students' Union (BCSU)* is led by students for students. We are here to make the lives of students better and we do this through capturing the Student Voice.

BCSU represents all Bradford College students and gives you access to advice and information, activities, events, volunteering and campaigns.

We want to hear your ideas, views and opinions on topics that matter to you as a student, so that we can help improve College life for everyone.

The services provided by the Student Union include;

- » Various enrichment activities and events
- » Support and training for course reps
- » Volunteering opportunities
- » Student clubs and societies to take part in

BCSU is associated with the National Union of Students (NUS), which is made up of **7 million students!**

BECOME A COURSE REP

If you are keen to learn new skills, are passionate about making positive changes to your course and want to improve the learning experience for everyone then you can volunteer to be a course representative.

You will gather feedback from your peers and share this at meetings. This is one of the ways we make sure the Student Voice is used to improve teaching and learning.

Are you ready to make a difference? Scan to learn more about our Students' Union.

*If you are 16+ you automatically become a member of the BCSU after enrolment.

Library services

Whether you need resources to support you on your course, want some extra help with study skills, need somewhere to study, or simply love reading, our libraries give you free access to physical and online resources and personalised help.

We have three libraries, one at the David Hockney Building and the other at Trinity Green, with a smaller library in the ATC.

All libraries are open when the College is open. You can borrow up to fifteen books at one time for two weeks, and these loans will extend if no one else wants to borrow your book.

Our friendly library staff are always on hand and can help you:

- » Finding print books and accessing e-books
- » Using print journals and e-journals
- » Accessing online databases and other online resources
- » Help with research, referencing and avoiding plagiarism
- » Accessing individual and group spaces, private study pods, laptops and printers.

Build a better tomorrow

Do you want to build a greener future? At Bradford College, we're committed to putting our planet first and you can get involved too.

Planet Earth Games

Bradford College has won the Planet Earth Games – the biggest sustainability competition for the UK Further Education sector!

Students and staff members were encouraged to participate in lots of eco-friendly and sustainable challenges to earn points to win.

Student Sustainability Squad

If you have got big ideas to save the planet, let your voice be heard!

By joining the Student Sustainability Squad, you'll be the driving force behind making Bradford College greener. It's a chance to be a leader and gain valuable experience.

Tackling Climate Change

We're tackling climate change one step at a time.

We are making our College greener and saving more energy. We plan to connect two of our buildings, the David Hockney Building and the ATC Building, to an eco-friendly heating system that uses less electricity.

We're also making way for the new purpose-built Junction Mills. Junction Mills will support the growth of technology and low-carbon skills capability within West Yorkshire.

T LEVELS

THE NEXT LEVEL QUALIFICATION

THIS IS YOUR POWER MOVE

Forget being a “Plan B.” T Levels are the main event; they are built for ambitious future leaders, creators, and game-changers.

WHAT MAKES T LEVELS STAND OUT?

EQUIVALENT TO 3 A-LEVELS

T Levels carry the same UCAS points as three A Levels and are recognised by universities across the UK.

T Level = Technical Level 3

A Level = Academic Level 3

REAL WORK EXPERIENCE THAT COUNTS

Every T Level includes an industry placement with a real employer. That means building your CV, your confidence, and your connections before you’ve even finished the course.

80% CLASSROOM. 20% WORKPLACE. 100% CAREER-READY.

Most of your time will be spent learning technical and academic skills in cutting-edge learning spaces. The rest? You’ll be out there applying it in a real job, turning knowledge into experience.

DESIGNED WITH EMPLOYERS. BUILT FOR YOUR FUTURE.

T Levels were created with industry leaders, so you’re learning exactly what employers want, not outdated theory, but practical, powerful skills that open doors.

- Law & Legal Services
- Media, Broadcast and Production
- Science

“I REALLY ENJOYED THE CHALLENGE THAT THE T LEVEL COURSE BROUGHT”

“It’s much more complex than the standard A-Level but it gives you so much more industry experience. I really enjoyed my industry placement with Balfour Beatty, I got to see the whole construction process. I am looking forward to starting a surveying degree at the University of Bradford.”

OUR EMPLOYERS

Scan to find out what you’ll be getting up to on your industry placement.

WHAT OUR EMPLOYERS SAY?

“IT WAS A GREAT EXPERIENCE ALL ROUND, AND I THINK THE STUDENTS TOOK A LOT FROM IT.”

“T Level students were able to rotate around three different projects and gain experience across various areas of construction.”

PAUL STEVENSON
SENIOR PROJECT MANAGER
BALFOUR BEATTY

WHAT’S NEXT AFTER T LEVELS?

T Levels set you up for the real world – whether that’s uni, a job, or an apprenticeship.

In 2024, 74 % of T Level students who applied to uni got in. Many degree courses love the mix of classroom learning and real industry experience.

Scan here to see which universities accept T Levels.

NOT READY FOR A T LEVEL?

The Foundation to T Level is a one-year course that prepares you for your chosen T Level.

It’s ideal for students who need further support due to grades, further needs or just more time to develop English and/or Maths skills.

Scan here for more information.

“I REALLY ENJOYED DOING MY T LEVEL, I WOULD TELL ANYONE WANTING TO DO A T LEVEL AT BRADFORD COLLEGE TO GO FOR IT”

“I did my work placement at St Edmonds Nurse School, it was awesome everyone was really supportive and really helped me get all my hours in.

I’m moving on to do a BA in Social Work at the college, as I want to be a social worker and really help families.”

Apprenticeships are a fantastic way for you to earn while you learn. An Apprenticeship allows you to work a real job with an employer and get paid, whilst studying your chosen course.

Bradford College has been offering Apprenticeships for over thirty years, working closely with employers within Bradford and the wider Leeds region.

Why choose an Apprenticeship?

- » As an apprentice you will be considered as an employed person. You will usually work at least 30 hours per week and come to study at College 1 day a week
- » You are entitled to be paid the national minimum wage (£6.40 an hour) – some employers may even offer more!
- » Anyone who is 16+ can do an Apprenticeship
- » You will have access to the top training facilities and gain hands-on experience

We offer a range of Apprenticeships in different sectors at **Level 2** and **Level 3** that include:

- » Construction Trades
- » Dental
- » Digital
- » Engineering
- » Ophthalmics
- » Pharmacy
- » Professional Services

WHY STUDY ENGLISH & MATHS?

Managing finances both personally and in work

Speaking in job interviews

Communicating with different people

Delivering presentations

Writing your CV or cover letters

Understanding graphs, charts and reports

WITH THE RIGHT GRADES IN ENGLISH AND MATHS YOU CAN:

Move onto further levels of study

Go to university

Have more job options

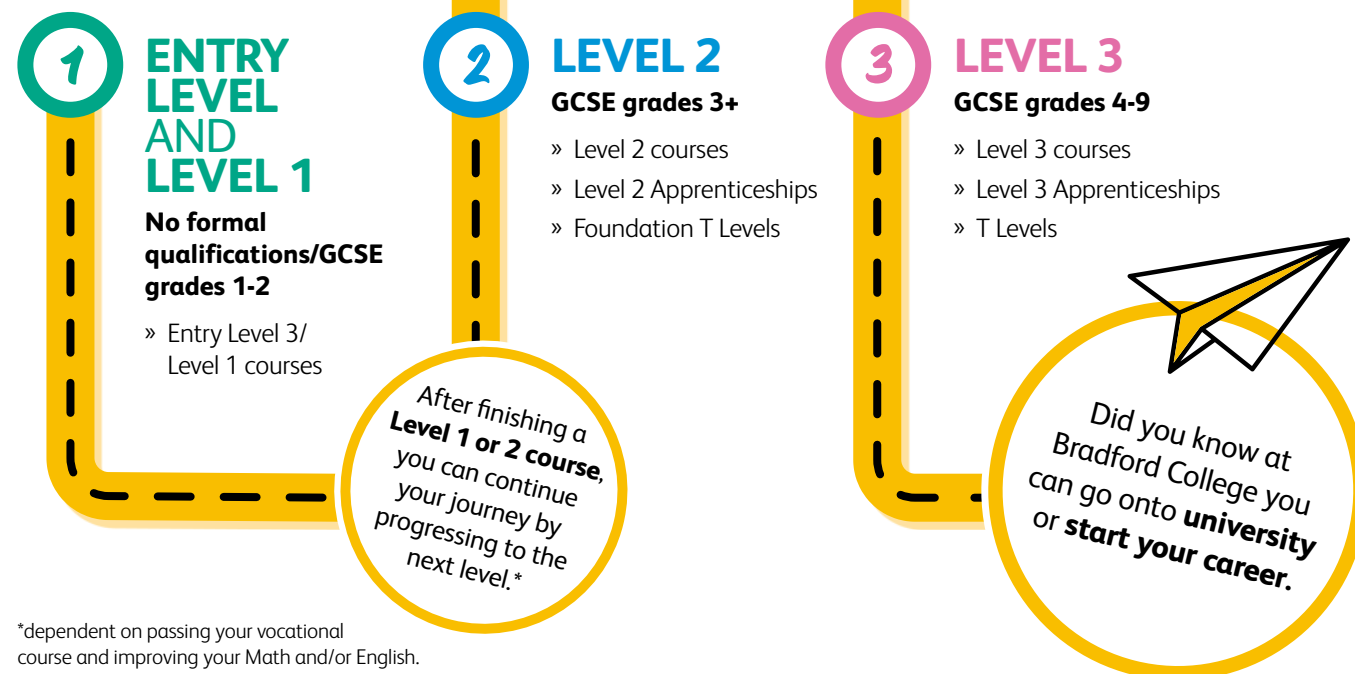

Your study journey starts here

No matter where you're starting from, we can help you get to where you want to go.

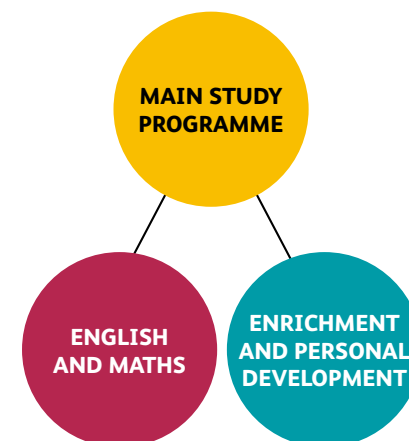

We'll help you find the perfect match based on your skills, experience and career ambitions.

Where will your journey take you?

*dependent on passing your vocational course and improving your Math and/or English.

“BRADFORD COLLEGE’S BUSINESS COURSE WAS THE PERFECT FIT FOR MY AMBITIONS.”

“I’ve learned so much on my course such as time-management by working on assignment deadlines, working as a team and real-world skills that can be applied to everyday life, like finance. The tutors put so much effort into our work too and they take the time to give me feedback that I can work on to improve myself.

After I complete my course, I want to go to university to do business management or go on to an Apprenticeship in accounting.”

"I'VE ALWAYS ENJOYED COOKING AT HOME WITH MY FAMILY. IN SCHOOL, I TOOK A RELATED SUBJECT AND REALISED IT MIGHT BE SOMETHING I WANTED TO DO."

"So when I came to Bradford College, I was really glad I chose this course. My favourite parts are definitely the cooking, but also the teamwork and meeting new people. The tutors are great and they'll help you if you're struggling. We support each other in class too, which is really nice. My dream is to open my own restaurant one day. It's a really good course, and I'm glad I picked it."

**“BRADFORD COLLEGE IS INSPIRING;

SKILLS TO PURSUE WHAT I LOVE.”**

“Originally, I was considering another college to study A Levels, but when I visited Bradford College and saw the fashion studio, my jaw dropped. It was so well-equipped and I knew instantly that this was where I wanted to study.

My favourite part of the course was how hands-on it is. I love the stage right before making the final garment, when you're sketching designs, planning, and doing all the calculations. That creative process really excites me.

We took local trips to galleries and museums for inspiration, which was great for our projects. The support from my tutor was incredible. She really pushed me out of my comfort zone and made me believe in what I can achieve.

I am studying Fashion Design with Textiles at Huddersfield University.”

“WHAT REALLY STOOD OUT TO ME ABOUT BRADFORD COLLEGE WAS HOW IT MADE ME FEEL LIKE PART OF A TEAM. STUDYING THERE EVERY DAY HELPED ME GROW BOTH PERSONALLY AND ACADEMICALLY.”

“One of my favourite parts of the course was how it encouraged me to stay dedicated and never give up. I'm passionate about aviation, and I know how important it is to push myself forward. The course helped me stay focused on my goals.

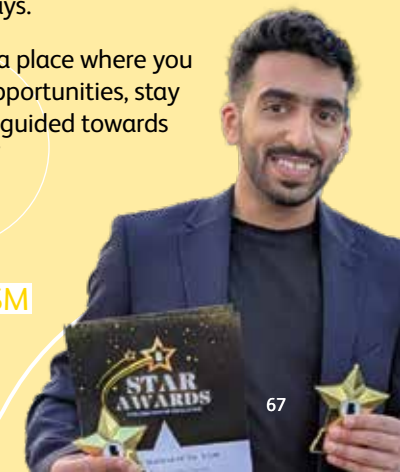

I also had the opportunity to complete a work experience project with British Airways at Heathrow Airport. It was absolutely amazing and I genuinely felt like I was part of the team already.

The support from my tutors was excellent. They were always kind, respectful, and there for me whenever I needed help.

I'm hoping to gain airline experience by working at the airport, with the ultimate goal of becoming a pilot. I'd love to join Swissport or even Qatar Airways.

Bradford College is a place where you can discover new opportunities, stay committed, and be guided towards your dream career.”
