Course Summary

This qualification provides a full-time introduction to Performing Arts that develops an understanding of Performing Arts as a collaborative activity.

The Level 2 Diploma course will provide you with the skills, knowledge and understanding necessary to progress to further study and training for a range of performing arts subjects, including acting, singing, dancing, musical theatre, directing and others.

What You Will Learn

You will have the opportunity to research the history and context of performance and production and its value in informing practice.

Over the course you will be introduced to a range of activities essential to the development and delivery of a performance such as drama, dance and music, as well as

the process of rehearsal, production and delivery.

There is an opportunity to take greater responsibility in the management of an assignment of personal interest, via the final major project, and prepare for progression within a chosen discipline. You will also have the opportunity to be involved in the production of a staged piece of performance to an audience.
