Course Summary

This hands-on qualification is designed to help learners understand the skills and knowledge needed to work in the sector. Learning will be encouraged through participation in a wide range of sport and active leisure activities. The course will also focus on improving the learner's physical fitness, understanding how to plan and deliver sports and training sessions and visiting sporting establishments around the UK to speak with professionals in related jobs.

What You Will Learn

This Level 1 Award in sports qualification is designed for learners who may be ready to progress quickly to further study. The Certificate offers a basic introduction to the sports and leisure sector and provides learners with the opportunity to develop generic, transferable and sector-specific skills related to the study of sport and leisure in order for

them to progress to further learning.

Our experienced staff will deliver a variety of practical workshops and presentations alongside independent student research. You will develop skills using up to date sports research and practice. Visits and guest speakers are also used to help enrich your learning experience.

The course is based on a programme of study which consists of:

- The Vocational Qualification itself
- A City & Guilds Employability and Personal Development Award
- English and Maths
- A Tutorial Programme
- Work Experience

Learners will study three core Employability units and two sector specific units over the duration of the course.
