Course Summary

Start your career in Hairdressing today!

This qualification designed for adults aspiring to build a career as a hairstylist. This course goes beyond the basics, offering a hands-on approach where you'll master a variety of techniques including cutting, colouring, styling, and finishing hair. You'll also gain essential knowledge about client consultation, health and safety in the salon, and the latest industry trends.

You will need to commit to attending two evening sessions per week and be prepared to undertake independent study outside of class. Additionally, you will be required to purchase a professional hairdressing kit and source clients for practical assessments.

Why choose this course?

- Flexible evening classes, ideal for balancing studies with other commitments.
- Gain practical experience by working on real clients for assessments.
- Recognised VTCT qualification to kickstart your career in hairdressing.
