Course Summary

The skills on this course will be developed within the context of Health & Social Care through practical and engaging delivery. The course is designed to allow you to develop knowledge and understanding which will support achievement and progression to higher level courses in the Health & Social Care sector. The development of study skills will allow you to work towards higher level skills and prepare you for the next stage of your educational journey or employment

What You Will Learn

The course is based on a Programme of Study, which consists of:

- The Vocational Qualification itself
- English and Maths
- A Tutorial programme
- Employer engagement

You will learn through lectures, online modules (Moodle), group work, electronic resources and external speakers.

Modules

The qualification offers the opportunity for learners to develop skills through the following modules:

- Understanding the Range of Service Provision
- Principles & Values
- Introduction to Communication
- Introductory Awareness of Person-Centred Support

There will be opportunities to develop skills and knowledge in preparation for Level 2 towards the end of the academic year.

Entry Requirements

You should have a keen interest in the subject and achieved a minimum of GCSE Maths and English at Grade 2 or an equivalent.

Work Experience

30 hours of relevant experience of work are included in the course.

Progression

Successful completion of the course along with improved Maths and English grades can help you embark on a Level 2 course of study. You will be able to progress to further learning, an apprenticeship or possibly employment.
