Course Summary

Take your first steps towards and employment with our Preparing for Work Programme. This course is a work-based learning programme which will provide you with work experience in various community-based settings including health and social care, environmental conservation, social care, the arts and other initiatives. You will develop transferable, industry related skills in a range of areas to enhance your CV and real-life employability skills. The programme is designed to give you a broad range of skills and experiences, supporting your next steps to find paid work.

What You Will Learn

- Real-world work experience in sectors like health and social care, environmental conservation, the arts, and more
- Core employability skills through the City & Guilds Employability Award
- How to take part in work experience and contribute effectively to a team
- Transferable, industry-related skills to boost your CV and job readiness

- Functional maths and English to support workplace and everyday tasks
- Personal development through tutorials, enrichment, and community engagement
- Preparation for progression into paid employment or further training

Modules

The course is based on a Programme of Study, which consists of a City & Guilds Employability Award, maths and English, a tutorial programme, enrichment and experience of work. Learners will study core Employability skills over the duration of the course.

Employability Units:

- Taking part in work experience
- Team Building

Entry Requirements

There are no entry requirements for this course apart from an interest in the subject and the ability to commit to positive behaviours and attendance. You will need to have the ability to work towards an entry level 3 qualification.

Work Experience

This course is a work-based learning programme which will provide you with work experience in various community-based settings including health and social care, environmental conservation, social care, the arts and other initiatives.

Progression

Level 1 vocational courses and employment
