Course Summary

Learn how business really works with our course!

If you're curious about how businesses work and want to learn real skills for the future, this course is for you! In this course you'll explore everything from marketing and finance to running your own business. You'll take part in exciting projects, meet real employers, visit universities and apprenticeship providers, and build the knowledge and confidence you'll need to succeed in any career path.

Why choose this course?

Real-World Learning – Work with local businesses and take part in activities that reflect what it's like to run or be part of a real business.

Trips and Experiences – Enjoy visits to universities and apprenticeship providers to see what your future could look like.

Interactive and Fun – Get stuck into team-building tasks, organise events, and lead

entrepreneurial projects that bring learning to life.

Valuable Qualification – This two-year course is equivalent to three A levels and is a great step toward university, apprenticeships, or starting your own business.

This course is perfect for you if:

You enjoy solving problems and thinking creatively.

You like working with others and being part of a team.

You prefer hands-on, practical learning instead of just exams.

You're interested in how businesses work and want to learn more.

Ready to take the first step toward your future? Apply now.

What You Will Learn

Skills you'll develop:

- **Teamwork** – Take part in group projects and team-building activities that strengthen your ability to work with others.
- **Communication** – Build confidence through filmed interviews and presenting your ideas clearly.
- **Leadership** – Organise events and lead projects that help you take charge and guide a team.
- **Problem Solving** – Tackle real business challenges and come up with creative solutions.
- **Financial Awareness** – Learn how to manage money, budgets, and understand business finance.
- **Marketing** – Discover how to promote products, build a brand, and connect with customers.
- **Recruitment and People Skills** – Understand how to find and hire the right people, and what makes a great team.
- **Planning and Organisation** – Learn how to manage time, plan events, and keep things running smoothly.
