Course Summary

The Certificate in Laser and Intense Pulsed Light (IPL) Treatments is an advanced qualification that has been specifically designed for beauty therapists. This course is for you if you aspire to work as an advanced beauty therapist providing laser and IPL services within a beauty salon.

You will work on real clients in our College Signature Salon using the latest technology and professional products. You will have the opportunity to learn from highly qualified industry professionals.

This course provides you with a qualification in order to practice Intense Pulsed Light hair removal treatments.

What You Will Learn

This qualification requires you to develop skills to carry out IPL and laser treatments.

Modules

- Laser and light treatments for skin rejuvenation
- Management of health, safety and security in the salon
- Client care and communication in beauty related industries
- Laser and light treatments for hair removal

Entry Requirements

Entry to this course a Level 3 qualification in Anatomy/Physiology, Grade 4 in GCSE English and a grade 3 in GCSE Maths or equivalent.

Progression

Successful completion of this course means that you will be in a position to aspire to promotion as an advanced beauty therapist providing laser and IPL services within a beauty salon. You may also choose to progress to further study.
