Course Summary

If you're into pistons, mad about mufflers, and love the sound of a dump-valve gear change – then this is the perfect course for you!

Whether you want to run your own business, work for a local garage or you have your sights set on F1, we can give you the hands-on training, work experience and practical skills to get you on the road to success.

Why Choose This Course?

- Hands-On Learning – You won't just be sitting in a classroom, you'll be in the workshop getting stuck in from day one.
- Get Industry-Ready – We use real tools, real parts, and real cars so you can gain the practical skills garages and employers are looking for.
- Look to the Future – We introduce you to the latest in vehicle technology, including electric and hybrid cars.

Is This Course for Me?

- You enjoy learning how things work, especially cars and engines.
- You like working with your hands and fixing things.
- You don't need any experience – just a strong interest in motor vehicles.

Take your first step to becoming a professional mechanic and apply today!

What You Will Learn

Skills you'll develop:

- Basic Car Maintenance – Learn how to change tyres, trims, exhausts, oil, lamps and repair punctures.
- Diagnostic Skills – Understand how to spot problems and figure out what's wrong with a vehicle.
- Car Tuning and Modding – Discover how to tune and modify cars to run more smoothly and efficiently.
- Knowledge of Future Tech – Start learning about hybrid and electric vehicles and how they work.
- Attention to Detail – Get used to working carefully and checking your work to keep vehicles safe.
- Problem Solving – Work through faults and find smart ways to fix them.
- Teamwork – Learn how to work with others in a busy garage environment.
- Confidence in the Workshop – Build your self-belief as you get more hands-on experience and grow your skills.

Modules

Core modules:

- Routine maintenance
- Wheels and tyres
- Vehicle technology and workshop methods

Personal protective equipment (PPE) is a must have for this course. You will need:

- Safety boots and fire-retardant overalls. These will be provided should you meet the conditions of the bursary*

Please note*: *If your household income is £60,000 or below you may be eligible for a bursary to support things like: travel, meals, specialist equipment/clothing and childcare. To find out more, visit our Financial Support webpage.*

Entry Requirements

Entry requirements to this course is a Grade 2 in both GCSE Maths and English Language.

Progression

Successful completion of this Level 1 course can lead onto our Level 2 Motor Vehicle course or to an apprenticeship.
