Course Summary

The Foundation (Transition) T Level in Legal Services is designed to prepare students for progression onto the full T Level in Legal Services (Level 3). It's ideal for learners who are interested in a future career in law, business, or the public sector but may need additional time to build confidence, knowledge, and key skills before stepping up to Level 3 study.

What You Will Learn

This one-year programme introduces you to the legal system, key principles of justice and fairness, and the business environment in which law operates. Alongside core legal topics, you'll develop essential skills in communication, problem-solving, teamwork, and professional behaviour — all supported by English, Maths, and digital skills development where needed.

You'll also take part in employer-led projects and work

experience to understand how law and business connect in real-world contexts.

Modules

The English Legal System Ever wondered how laws actually work behind the scenes? This module is your starting point. You'll explore how the English legal system operates, who's involved, and how decisions are made—basically, the rulebook that keeps everything running.
Legal Requirements for Business Formation Got dreams of starting your own business? This module shows you how to make it official. You'll learn about different types of businesses and what it takes (legally!) to set them up the right way.
Aspects of Family Welfare Law and Practice This module dives into real-life situations that affect people every day. You'll explore laws around relationships, breakups, and children—helping you understand how the legal system supports families through major life changes.
Applying Research Skills to Legal Cases Think like a legal detective. In this module, you'll learn how to track down information, use legal resources, and build evidence for cases. Whether it's finding case law or understanding sentencing, you'll develop skills that real professionals use.
Measuring the Financial Performance of a Business Numbers tell a story—this module teaches you how to read it. You'll explore how businesses track their money, manage budgets, and measure success using key accounting skills. It's all about understanding what makes a business thrive.
Provide financial information to meet client needs Providing into the world of finance and customer interaction. You'll learn how to match financial products and services to people's needs, while developing professional and ethical skills. Perfect if you're thinking about a future in finance or working with clients.

Entry Requirements

• 5 GCSEs at Grade 3 or above, including English and Maths (Grade 4 preferred)• A keen interest in law, business, or public service• Successful interview

Work Experience

60-Hours industry work placement.
