Course Summary

Ready to Make a Real Difference?

Become the future of healthcare.

Are you driven to help people?
Dreaming of becoming a nurse, midwife, or paramedic?
This isn't just a course — it's your *first step into a life-changing career*.

The Health T Level gives you the skills, confidence, and real-world experience to thrive in the fast-paced world of healthcare. From day one, you'll be learning what really matters — not just in a classroom, but side-by-side with NHS professionals in real clinical settings.

What You Will Learn

Skills you'll develop:

- Providing Comfort & Wellbeing – Learn how to assist with overall care to support a patient's comfort and wellbeing.
- Supporting Healthcare Professionals – Help registered healthcare professionals with clinical tasks and interventions.
- Performing Physiological Measurements – Carry out observations such as blood sugar levels, pulse rates, and breathing.
- Assisting Nursing Teams – Support an adult nursing team with daily tasks and patient care.
- Meeting Daily Living Needs – Help individuals with their essential daily activities.
- Skin Care & Treatment – Assist with skin integrity assessments and the treatment of skin conditions.
