Degrees at  
**Bradford College**

---

# Construction and Engineering

## Part-time study options

Higher education qualifications at Bradford College can be studied part-time and be a convenient solution to working and learning simultaneously.

---

## Construction

Our Construction students learn a mix of specialist and practical skills, benefitting from the support of experienced tutors and use of the latest equipment and technology.

---

## Engineering

We have strong industry connections and offer great field trips - this, combined with theoretical learning and time in workshops ensure students get the most out of their study time at Bradford College.
