

EMPLOYER PLEDGE

Bradford College is working with enterprising employers who are providing apprenticeships and work placement opportunities for young people and adults.

We want to encourage as many employers as possible to join the College and Government's agenda for new skills and jobs, and invite you to get involved. If you have an interest in providing an apprenticeship or work placement opportunity, please complete the form below and pledge the type of support you would like to provide. We will then get in touch with you to see how we can join forces to provide work based opportunities for our learners.

As a thank you, your company name and logo will appear on our College Partners page of our website and we will provide a plaque in recognition of your support. This is an excellent opportunity to gain positive publicity whilst supporting local students to develop their employability skills.

I would like to provide the following opportunities:

Opportunity	Tick ✓
An apprenticeship that has a clear programme of training that is relevant to the job and recognisable in the sector	
A undergraduate/graduate internship	
A workplace visit to your business	
A work placement/experience opportunity	
To help with student projects or enterprise activities in Bradford College	
To speak to learners about careers in your sector	
To mentor a budding entrepreneur	
Hear more about Bradford College's opportunities for business	
To attend Bradford College recruitment events/applicant events to promote careers
