Dear [Name]

You have been identified as eligible to progress to the next year/level of study from September.

You should now have received (or will be receiving after results day) email instructions about **how to enrol online via our student portal** – please check your emails for the instructions (including Spam filters). If you have a question or query about progressing from September onwards, you should contact your tutor by email. Your tutor should be able to support you with your progression options.

If you need help, or any of your details have changed, it is important that you contact our **Student Records Team** on **01274 088 008** to update your record ASAP. We need up-to-date details, so that you continue to receive our updates and to support your enrolment. (Please check SPAM filters and add **NoReply@bradfordcollege.ac.uk + admissions@bradfordcollege.ac.uk** to your contacts list).

Progression enrolment is taking place online between July and August via the Student Portal. If your progression is dependent on exam results or assessment grades you will get an invite by email and SMS to enrol following results day.

We will continue to share important information about the enrolment process, fees (if applicable) and the documents/ID you will need to complete your progression enrolment via email. **Please check your emails and the College website regularly.**

If you need to update any details, or need help with enrolling via the Student Portal, please call our Enrolment Helpdesk on 01274 088 008.

*The email instructions have been sent from NoReply@bradfordcollege.ac.uk, please check your inbox for the message.
