

Modern Slavery Act Statement for financial year end 31 July 2020

Introduction

This statement is made pursuant to Section 54 part 6 of the Modern Slavery Act 2015 and sets out the steps that Bradford College has taken to ensure that slavery and human trafficking are not taking place in our supply chains or in any part of our business.

- Bradford College is a Further Education College established under the Further and Higher Education Act 1992. It is an exempt charity for the purposes of the Charities Act 2011. Some of our primary purpose trading is undertaken through a wholly owned subsidiary company, Training for Bradford Limited, which is also covered by this statement.
- The College's main business is to deliver education and training to students from the age of 14. This covers a wide range of vocational and academic programmes.
- The College also delivers Higher Education and teacher training to a large cohort of post 18 students.
- For more information about Bradford College, see our About pages on our web site.

Slavery and Human Trafficking Statement

- Bradford College's core values are at the heart of everything we do. We are committed to running our business responsibly and in accordance with the high standards embedded in our core values.
- 'Individual liberty', 'respect for the rule of law' 'equality' and 'mutual respect' are among our United Values. Slavery and human trafficking are very plainly incompatible with these values.
- We expect the same high standards from our suppliers and all external stakeholders we work with.
- Our Procurement Policy helps us to consider issues around modern slavery and human trafficking with our supply chain.
- We have policies and procedures in place to encourage and respond to public interest disclosures and to protect whistle blowers.
- At the end of each financial year, we write to every supplier with a trading balance for that financial year of over £10,000, requesting details of the steps they are taking to ensure that slavery and human trafficking is not taking place within their businesses and within their supply chains. We also request copies of any relevant policy documents dealing with this issue. We receive and log their responses to ensure their approach is consistent with ours.
- We will work with our principal suppliers to ensure that our approach to slavery and human trafficking is reflected in all our purchases of goods and services, and, so far as reasonably practicable, that neither we nor they are involved in any way, either directly or indirectly, in slavery and human trafficking.

Our Commitment

- We are committed to ensuring that slavery and human trafficking have no place in our business or our supply chain.
- This statement has been approved by the Executive and the College Governing Body. It is reviewed annually.
- This statement is made pursuant to section 54(1) of the Modern Slavery Act 2015 and constitutes our College's slavery and human trafficking statement for the financial year ending 31 July 2020.
